

## Winster Parish Council

### Public Participation at Parish Council Meetings

Meetings of the Parish Council are not public meetings but members of the public have a statutory right to attend as observers. Winster Parish Council encourages public participation at its meetings. To ensure that everyone gets an opportunity to talk, we have introduced guidance on how you can best have your say, and make the most of your time when you speak. To ensure everyone gets a fair-share of the available time, this session is limited to a maximum time of fifteen minutes, you will only be able to **speak once for up to three minutes**. However if there are more people wanting to speak then the session allows the maximum time for individuals to speak may be reduced, with the time being divided equally between each person.

- You will be asked to give the Clerk your name and address. This is to establish that you are a parishioner. Non-Parishioners may only speak if invited to do so.
- To make the best use of your time, please be brief and to the point. You will not be allowed to over-run your time.
- If more than one member of the public wishes to speak on the same topic, please nominate one person to speak on the subject. This will avoid duplication and make the best use of the public participation period.
- Any member of the Council, who has declared a disclosable pecuniary interest on an item to be discussed, will be allowed the same rights and time as a member of the public for this session.
- Owing to the short time you have to put your views across photographs or display material will not be accepted at the meeting, but may be sent to the Clerk at least **5** days before the meeting, so they can be disseminated to the Councillors. The same applies to written submissions.
- Please avoid derogatory or defamatory statements. If the Chairman feels that this is the case you may be asked to stop speaking.
- The Chairman has the right to say that any question or statement is inappropriate and will not be accepted.
- Neither Councillors nor the Clerk should be put under pressure to respond immediately to comments under public participation. Members

of the public do not have a right to force items onto the council agenda nor to insist on how matters are recorded in the minutes.

- A question raised by a member of the public during a public participation session shall not require a response and there should be no debate or discussion between the Council and the public.
- If matters raised by the public are not on the agenda for the meeting, these can be used to form part of the agenda for a future meeting at the discretion of the Council. The Council can only pass resolutions regarding items publicised on the agenda.
- If the issue is on the agenda then it will be discussed under the appropriate item. Members of the public are therefore requested to leave their contact details with the Clerk before leaving the meeting, if they wish to receive a reply to their query when the matter has been resolved by the Council. This may not be until after a subsequent meeting, consultation with outside professionals/agencies or following receipt of information from outside professionals/agencies.
