Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Winster Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.

## FINANCIAL AND MANAGEMENT

Subject	Risk(s) identified	H/M/L	Management/control of Risk	Review/Assess/Revise
Precept	Adequacy of precept	L	To determine the precept amount required, the	Existing procedure adequate.
	in order for the Council		Council regularly receives budget update	
	to carry out its Statutory		information. At the precept meeting Council	
	duties		receives a budget report, including actual position	
			and projected position to the end of year and	
			indicative figures or costings obtained by the Clerk.	
			With this information, the Council maps out the	
			required monies for standing costs and projects for	
			the following year and applies specific figures to	
			budget headings, the total of which is resolved to be	
			the precept amount to be requested from Derbyshire	
			Dales District Council. The figure is submitted by	
			the Clerk in writing.	
			The Clerk informs the Council when the monies are	
			received.
